SHURA, 2Shy

I done up with my complimented from Tryina be someone, some TV once You were sitting by the window looking out for me We were tryina find a way to say her That didn't seem strange, but it didn't work out Maybe just was a way that it hurt to me

It's taking me so long
Baby I was 2shy to say it
We could be more than friends
Baby I was 2shy, 2shy

Walking home on the upper swidge road
Headphones on, I got a cigarette on
I know I shouldn't light it 'cause I haven't smoked one
For weeks
Conversations running through my head
And I get stuck on my things
You should not have sent me your sign
And that's all I can think about

It's taking me so long
Baby I was 2shy to say it
We could be more than friends
Baby I was 2shy, 2shy

Let's go find a corner where we can sit in We'll talk about my feelings that I've lost Even though the world that I was thinking I was gonna say I love you of course

It's taking me so long Baby I was 2shy to say it We could be more than friends Baby I was 2shy, 2shy /2x
