

Shyne, Jimmy Choo

(feat. Ashanti)

[Shyne talking]

Yeah

Shyne, gang land, murder inc.

Haha

Alright, turn the beat up

I see you, ok!

I see you ma, in your thousand dollar weave

Master P's diamond face on ya sleeve

Def Island, waist petite

Alright, jimmy shoe shoes on ya feet?

Shoot, right!

Slide inside the spider

I know you tired of guys who try to lie

To slide inside you

Forget about that, let's go!

Forget about rap, I'm Po

I mean really, I been getting money

Since niggas is rappin for me

It's fast as shit

Cuz you don't look like, you got your head right

I just hope that u can give head right

Breezin through Eggshell headlights

New York is mine, relax your mind

[Ashanti]

Ooooooooooooooooooooo

Cant nobody

Do them things we do

And cant nobody

Touch me like u do

Cant nobody

Love me like you do

And cant nobody

Be like me and you

[verse 2]

This is Me!

I'm mostly respected

Ring down to the necklace

Some hos say I'm sexist

Cuz all I wanna do is stuff coke in they breasts

Sit back, lift stakes, count money

In the zone, roll the doe

Like this, come on

I need a Prada chick

To take this dick, and take this script

And flick this shit, base this shit

We can go shopping and buy some things

Up in Harry Winston ma, try some rings

How you feel like u is prince di

So much cuts on your wrist

They could draw suicide

No lie, you ain't heard?

Extensive trips, expensive whips

You ain't seen nothing like this

Not in your life

If I ain't that nigga, shit you fuckin' right

[Ashanti]

Cant nobody

Do them things we do
And cant nobody
Touch me like u do
Cant nobody
Love me like you do
And cant nobody
Be like me and you

[verse 3]
Who gon' cop them hos? (Po)
Who gon rock them clothes? (po)
Who gon' pop them fros? (Po)
Well i'm glad you know
No need to ask who holla'd
You aint nada, me alotta
Shyne winton gotta
See you niggas in hell
Now lets prevail, feds on the tel
Just post bail, a million in cash
Now u know that aint rappin pimpin

Body smoked like we was jus ganna clap em' up
That aint enough? then why u backin up
Niggas talkin real greesy on them rap records
Look i'm strip u naked, take ya necklace
Give it to my soldiers like "hold this"
Fuck you nigga u could never fool this
But anyway back to business

That like girls that like furs

And cant nobody
