

Sia, Big Girls Cry

Tough girl in the fast lane
No time for love
No time for hate
No drama
No time for games
Tough girl whos soul's act like poem,
On my own, took my phone
Nothing more, I build thee
You order in pay TV
It's agony

I make white drawing in my make up
What's your way on the things you've taken
And I don't care if I don't look beauty
Big girls cry when their hearts are breaking
Big girls cry when their hearts are breaking
Big girl cry when their heart is breaking

Tough girl, I'm in pain
Don't let get down
Block out, and air pains
I still pour you a glass of champagne
Tough girl whos soul's act like poem,
On my own, took my phone
Nothing more, I build thee
You order in pay TV
It's agony

I make white drawing in my make up
What's your way on the things you've taken
And I don't care if I don't look beauty
Big girls cry when their hearts are breaking
Big girls cry when their hearts are breaking
Big girl cry when their heart is breaking

I wake up /6x

I make white drawing in my make up
What's your way on the things you've taken
And I don't care if I don't look beauty
Big girls cry when their hearts are breaking
Big girls cry when their hearts are breaking
Big girl cry when their heart is breaking
