

Sia, Lullaby

Send a wish upon a star
Do the work and you'll go far
Send a wish upon a star
Make a map and there you are

Send a hope upon a wave
A dying wish before the grave
Send a hope upon a wave
For all the souls you failed to save

And you stood tall
Now you will fall
Don't break the spell
Of a life spent trying to do well
And you stood tall
Now you will fall
Don't break the spell
Of a life spent trying to do well

Send a question in the wind
It's hard to know where to begin
So send the question in the wind
And give an answer to a friend

Place your past into a book
Put in everything you ever took
Place your past into a book
Burn the pages let them cook

And you stood tall
Now you will fall
Don't break the spell
Of a life spent trying to do well
And you stood tall
Now you will fall
Don't break the spell
Of a life spent trying to do well

(Repeat chorus)

Send a wish upon a star
Send a wish upon a star
