

# Sia, Sea Shells

By the window  
Since time began  
Watch the wind blow  
Sculpting sand

All in letters bound in string  
Life is slowly unraveling

Burning castle  
Turning down  
Mr. Prince has lost her crown

All in letters bound in string  
Time is slowly unraveling

She sells  
Empty sea shells  
Lost in the ocean

Through the window  
We can see  
Sand and biscuits  
Cups of tea

All in letters bound in string  
Life is slowly unraveling

All in letters bound in string  
Life is slowly unraveling

She sells  
Empty sea shells  
She sells  
Empty sea shells  
Lost in the ocean
