

Sick Of It All, God Save Ukraine

God save Ukraine
from Putin's regime
that evil moron
His hands on the bomb
God save Ukraine
we are all human beings
just trying to live free
but you invade our dreams
don't want to be told how to look
don't want to be told how to live
don't want to be told who to love
NO future No future with WAR
god save Ukraine
we mean it man
they love their country God save
God save Ukraine
but war makes money
doesn't matter how many people he kills
God save history
the Cossacks memory
with the spirit of their legend
they carry on.
don't want to be told how to look
don't want to be told how to live
don't want to be told who to love
No future No future with WAR
God save Ukraine
we mean it man
they love their country God save
god save Ukraine
from invading forces
it's our human right's
that we fight to save
NO FUTURE NO FUTURE NO FUTURE WITH WAR
NO FUTURE NO FUTURE NO FUTURE WITH WAR
NO FUTURE NO FUTURE NO FUTURE WITH WAR
NO FUTURE NO FUTURE NO FUTURE WITH WAR
NO FUTURE NO FUTURE NO FUTURE WITH WAR
