

# Sigma, Changing (ft. Paloma Faith)

Hell down, heaven down  
Livin' in the same town  
Tryina find something new  
Vocal beats a frame  
I've been frozen in  
Tryina find a better view  
This ain't real, this ain't cool  
This ain't what I signed up too  
This ain't right, it's no good  
No good,

Everything is changing,  
and I've been here for too long  
Going through the same things  
I've been hurting too long, got to move on  
Say I-I-I-I can't do this anymore  
If everything is changing  
and I know, yeah you'll find it

Got to let go  
Got to let go

I don't understand playing by the same hand  
How you find something new  
I can't work it out, what it's all about  
I won't live my life through you  
This ain't real, this ain't cool  
This ain't what I signed up too  
This ain't right, it's no good  
No good

Everything is changing  
and I've been here for too long  
Going through the same things  
I've been hurting too long, got to move on  
Say I-I-I-I-I can't do this anymore  
If everything is changing,  
and I know, you'll find it

Got to let go  
Got to let go

I've been here for too long  
I've been here for too long  
I've been here for too long  
I've been here for too long  
I've been here for too long  
I've been here for too long  
I've been here for too long  
Everything is changing
