

# Sigrid, Ghost

i don't mean to get so sentimental  
it's pathetic and i know it but i can't help it  
wanted you to be just like  
the architecture of the person i made in my mind  
so why'd you have to go and leave the door  
just a  
little bit open

wherever you go  
i'll follow you home  
i'll always be your ghost  
look at me now  
just a shadow  
of who i once was  
i know i'm not what you want  
but i can't let go  
of that little moment i thought i was yours  
wherever you go  
i'll follow you home  
i'll always be your ghost

if all we need is love  
then why is it so damn confusing  
if i'd know it back at the start  
would i'd been so brave to give you a just place in my heart  
i savor the wounds pretending like i'm self-soothing

wherever you go  
i'll follow you home  
i'll always be your ghost  
look at me now  
just a shadow  
of who i once was  
i know i'm not what you want  
but i can't let go  
of that little moment i thought i was yours  
wherever you go  
i'll follow you home

now that you've closed the door that-you once left open  
and i'm stood here wanting to knock it but too scared to have my heart broken again  
Now

wherever you go  
i'll follow you home  
i'll always be your ghost  
look at me now  
just a shadow  
of who i once was and i  
know i'm not what you want  
but i can't let go  
of that little moment i knew i was yours  
wherever you go  
i'll follow you home  
i'll always be your ghost
