

# SikTh, Another Sinking Ship

Liars  
Shape my frown  
I see through your words  
Stone down like a hound  
Liars  
Faceless clowns  
I see through your heroes  
Swimming to the shore

Picaroon you come so soon, you've taken all I had  
My tolerance exhausted paint a picture only using

Lying to the faces that make you a less lonesome man  
Picturing a way of life where fear and hate could not appear  
Can it be this life you lead, well nothing seems too clear

What are we doing here?  
Swamped by fear  
What are we doing here?  
Fear  
Brings death brings fear  
What are we doing here?

Five thousand more lies are laying in the mist  
Not suitable equipped  
Lesson of the day, you only betray  
Lesson of the day  
Lesson of the day  
Of the day  
You only betray  
You only betray  
Lesson of the day  
You only betray  
You only betray

Was it a so called man with a so called plan?  
Well I don't want to be another television lamb  
Television lamb  
Television lamb

Fear brings death brings fear

What are we doing here?  
Swamped in fear  
What are we doing here?  
Fear  
Brings us death and then that makes more fear  
Is this how it's meant to be for you and me?  
Lying to my face again, you never found yourself

Something tells me that things may have gone too far  
Warning the next hell ball in your quagmire

Fear of the  
Fear of the  
Fear of the  
Fear of the  
Fear if the  
Fear of the  
Fear of the  
Fear of the  
Fear of the  
Fear  
Picturing the ship you sank

Try to make me, walk the plank

Picaroon you come so soon, you've taken all I had  
My tolerance exhausted paint a picture only using

Lying to the faces that make you a less lonesome man  
Picturing a way of life where fear and hate could not appear  
Can it be this life you lead, well nothing seems too clear

What are we doing here?  
Swamped in fear  
What are we doing here?  
Fear  
Is this how it's meant to be?
