

Silent Circle, Dreams

Dreams
Made of memories
Bridges
Between you and me
Faces
From another world
Faces
Like a mascarade
Dreams
Made for you and me
Bridges
To my destiny

Dreams (Dream like a child)
Mirror of memory (That's it)
Dreams (Dream over all)
Get friends or enemies
All my unspoken wishes
Part of eternity

Dreams
Made for harmony
Wishes
From reality
Morning
Of my human life
Union
With my inner light

Dreams (Dream like a child)
Mirror of memory (That's it)
Dreams (Dream over all)
Get friends or enemies
All my unspoken wishes
Part of eternity

Dreams
Made of love and tears
Living
Without warranties

Dreams (Dream like a child)
Mirror of memory (That's it)
Dreams (Dream over all)
Get friends or enemies
All my unspoken wishes
Part of eternity
