

Silent Force, I'll Be There

If I could see this through
so much to say
Here in a place I don't know
If I'll get away

I walk a line today
Wide, but blind
You know it was somewhat
of my design

In my mind, I'll be there
Comes a time
a time for us to share
In my mind, I'll be there
comes a time
a time for us to share
a time for us to share
someday

How can I leave you this way?
a place so alone
If I could see you
there's a world unknown

If my heart says
watch the time
You know it brings to mind
a certain rhyme
All alone today, I
I wipe the tear
think of the world away
our world so near

In my mind, I'll be there
Comes a time
a time for us to share
In my mind, I'll be there
comes a time
a time for us to share
a time for us to share
someday
