

# Silent Majority, Top 40

got the house got the car  
got the gold record you're goin' far  
there is something that's a bit peculiar here  
got the child pretty wife smiles  
record sales soar you soar higher  
there is something that's a bit peculiar here  
you've finally made it you're over the top  
but there's only one thing that makes you drop  
you've finally made it you're over the top  
but there's only one thing that you can't stop  
and here you go again  
and everything they've given to you  
they're gonna take it back  
and I got a secret for you now you're gonna lose
