

# Silje Nergaard, Don't Explain

Hush now, don't explain  
There's nothin' to gain  
I'm glad you're back  
Don't explain

Hush now, don't explain  
What is there to gain  
Skip that lipstick  
Don't explain

You know that I love you  
And what love endures  
All my thoughts are of you  
I'm so completely yours  
Don't hear folks chatter  
Cause I know that you cheat  
Right or wrong don't matter  
When I'm with you sweet

Hush now, don't explain  
You're my joy, you're my pain  
My life is yours love  
Don't explain

You know that I love you  
And what love endures  
All my thoughts are of you  
I'm so completely yours  
Don't hear folks chatter  
Cause I know that you cheat  
Right or wrong don't matter  
When I'm with you sweet

Hush, don't explain  
You're my joy, you're my pain  
My life is yours love  
Don't explain
