

Silje Nergaard, If You Love Somebody

If you need somebody
Call my name
If you want someone
You can do the same
If you want to keep something precious
You've got to lock it up and throw away the key
If you want to hold onto your possession
Don't even think about me

If you love somebody
If you love someone
If you love somebody
If you love someone, set them free

If it's a mirror you want
Then look into my eyes
Or a whipping boy
Someone to despise
Or a prisoner in the dark
Tied up in chains you just can't see
Or a beast in a gilded cage
That's all some people ever want to be

If you love somebody
If you love someone
If you love somebody
If you love someone, set them free
Set them free

If you love somebody
If you love someone
If you love somebody
If you love someone, set them free
Set them free
Set them free

Free, free, set them free
Free, free, set them free
Free, free, set them free
