

Silk, I Wonder

Ooo heya heya heya ooo
(repeat4x)

Sneaking in and out
Every day, any place
Getting it on
Sometimes we're even bold enough
To do it in your own home
Now what the hell am I thinking 'bout
I know damn well what goes around comes around
Then I turn around and we on the ground
Tell me, what am I supposed to do

I wonder if he knows and suspects that I have got you on me
I wonder if he knows that we get a little freaky
I wonder if he knows that you spent last night bumping and grinding
Oh so careful we must be

I know I've tried to let you go
But my mind keeps telling me no
But I don't wanna lose you
Even though you're not mine
But I try my best
And baby that's enough for me

I wonder if he knows and suspects that I have got you on me
I wonder if he knows that we get a little freaky
I wonder if he knows that you spent last night bumping and grinding
Oh so careful we must be

Heya heya heya ooo (reapeat)

What am I supposed to do when he comes around and asks about you?

I wonder if he knows and suspects that I have got you on me
I wonder if he knows that we get a little freaky
I wonder if he knows that you spent last night bumping and grinding
Oh so careful we must be
I wonder if he knows and suspects that I have got you on me
I wonder if he knows that we get a little freaky
I wonder if he knows that you spent last night bumping and grinding
Oh so careful we must be
