(Intro)

Plug me up to the love session baby

(Plug me up baby)

Yeah, c'mon

Yeah, 2000 watts

Yeah, say boom

Yeah, my beat goes

Yeah, yeah, yeah

Boom boom boom

If you're looking for some good love

Girl, some dirty southern good love

You need to let me know

I'll take it nice and slow

And baby that's fo' sure, oh

Girl, just beep me when you're ready

And when I get there girl, just tell me

Just tell me what you need

I'll follow, you lead

And if I have to girl, I'll be

1 - If you're lookin' for affection

Some kissin' and caressin'

Girl just look in my direction

Don't be late for your lesson (lesson lesson)

Get that thing nice and wet and

Give that body a blessin'

Don't get down without protection

Don't be stressin'

I can't wait for the love session

Let me take you for a long ride

Girl, I can't wait 'till I get inside

We can do it in the park

Girl, as soon as it gets dark

Let me find somewhere to park

Got some Blackberry Molasses

Before we start, take off your glasses

Wanna look into your eyes

While I'm rubbin' on them thighs

Girl you make my nature rise

Repeat 1

I'm here to make your body scream

I'm here to make your body sing

Na, na, na, na, na, na, na

Na, na, na, na, na, na, na

If you're ready, I'll give you some good love

Let me hear you say ooh, ahh

L-O-V-E- S-E-Double S-I-O-N

See, I heard through the grapevine

That your man wasn't lovin' you right

If you're looking for affection

Baby, don't you know

That you can come home with me tonight

If you're looking' for
