

Silk, More

Verse 1:

Could we get a room, on the south side of the ghetto,
could we make sweet love, we're in the forest or the meadow,
can we get it on (get it on), when the sun gives light,
can we just kiss each other, like it was our very, very very first time

Chorus

Baby please give me some more, more, more (more)
please just a little bit more, more, more (more)
more, I like the way you touch me, give me some more
more, baby I'm feaning and I like, got to have some more
more, I like the way you touch me, give me some more
more, baby I'm feaning and I need some more (more, more, more)
Baby I'm feaning and I need some more (More, More, More) just a little bit more

Verse 2

Can we hold hands, and walk across the sandy beaches,
Can we, stop and stare,
(Just looking at each other, looking at each other) Sweetness,
Can we embrace each other, while the moon gives light,
