

# Silk, The Return

Oh Lord you know this road is mighty rough  
But you've been so good, you took good care of us  
Sometimes you know we might give out  
But we won't give up  
(No, no, no)

Now as we leave and go our separate ways  
Tell all our friends that we'll be back some day  
Now we leave, but you know we will...

We will return  
(Oh, we'll return)  
Gotta come back to you  
(Coming back to you)  
Gotta come back to you  
(Oh we will, we will)  
We will return  
(Oh you know, you know we will)  
Gotta come back to you  
(Coming to you)  
Gotta come back to you  
(Why, cuz we love you)

It's all about love  
(Yes we do, babe)  
It's all about love  
(Oh it's all about spreadin' our love all over)  
It's all about love  
Return

It's all about love  
(We love you today)  
It's all about love  
(We love you always)  
It's all about love  
Return

We'll return oh, hey  
We will return  
We will return  
Because we love you  
From the bottom of our hearts

We know it's been a long time since you seen  
And heard from us guys  
Ya know, I guess,  
I guess that's why we felt like we should  
We should dedicate this song to ya

It's been a long ride for us  
It's all good now  
We love ya, we hope you enjoy the return of Silk  
Tonight
