

Silk, Treated Like A Lady

(Intro)

Lady, lady

I'm checkin' for you

I'm checkin' for you

Lady, lady

You should be treated like

I've been seein' her at the bar lately

She's been kickin' by herself lately

But on the normal, I wouldn't be shady

And try to pick up on someone else's lady, yeah

(Oh) I said but she was all alone

(Oh) I was chillin' with my crew and

(Oh) I wanna take her home with me

Shine her up with my rings bling bling

I said

(Oh) I wanna lick you on your toes and

(Oh) I wanna buy you jiggy clothes and

(Oh) I'll throw some ice up on your hand, girl

Treat you like a real man can

You should be treated like a lady

Oh baby, don't let him do you wrong

Listen to the song, I said my word is bond, say

You should be treated like a lady

You should be treated right baby, baby

Don't let him do you wrong

Listen to the song, it goes on and on

Treated like a lady

Now I been waiting here patiently

Trying to figure out what to say

I think I'll send you a drink

Cuz you're lookin' so sexy

Can we catch up on things

I think you ought to be treated like a queen

And if you're receiving less than that

You can always leave

(Oh) She was all alone

(Oh) I was chillin' with my crew and

(Oh) I wanna take her home with me

Shine her up with my rings bling bling

I said

(Oh) I wanna lick you on her toes and then

(Oh) I wanna buy her jiggy clothes and

(Oh) I'll throw some ice up on her hand and

Treat you like a real man can

You should be treated like a lady

Climb on my rainbow cuz I promise fantasies

If you come with me

You should be treated like a lady

We can do it on and on and on

And on, on, on, on

You should be treated like a lady

Climb on my rainbow cuz I promise fantasies

If you come with me

You should be treated like a lady

We can do it on and on and on
And on, on, on, on

Hey, don't you give up on love
Said baby, baby, hey
Won't you give me one shot at lovin' you
I just wanna give the world to ya
I wouldn't control ya
Just wanna roll with ya
(Roll with you, roll with you)

Never give up on love
I said baby, baby, baby
Won't you give me one shot at lovin' you
I just wanna give the world to ya
Don't wanna control ya
Just wanna roll with ya
(Roll with you, roll with you)

And get cozy wit'cha yeah, hey yeah
Help me sing
Hey yeah, hey yeah
Hey yeah, hey ooh yeah
Hey yeah, hey ooh yeah

You should be treated like a lady
Baby you know I'll treat you right
I won't do you wrong
Listen to my song
Girl my word is bond

You should be treated like a lady
Baby you know I'll treat you right
I'll never do you wrong
Listen to my song
Girl my word is bond

You should be treated like a lady
Hey yeah, hey ooh yeah
Hey yeah, listen to my song
Girl my word is bond

You should be treated like a lady
Hey yeah, hey ooh yeah
Hey yeah, listen to my song
Girl my word is bond

You should be treated like a lady
Baby you know I'll treat you right
You know I'll treat you right
You should be treated like a lady
You know I'll treat you right
