

Silke Bischoff, Under Your Skin

You're under my skin, your love in my veins
There's blood on the floor my love
I touch your lips, I know we can find
The end of the Rainbow

And when I die - and when I die
Nothing can tear us apart
And when I die - and when I die
I'll never leave you

Your shadow in my mind - your heart in my heart
I've never Touched you, girl
Wherever you are, whatever you do
I'll never let you go

Don't turn around don't turn around girl
In the night in the dark there's no return
Fly with me in a blue blue sky
Fly with me across the sea, my love

I'm under your skin - nothing can tear us apart
I'm under your skin - always inside you my love
I'm under your skin
