SILKK THE SHOCKER LYRICS

"Me And You"  
(feat. Master P)

(Master P- (mumbling))

(Silkk)

Uuuuuuuuuuhhhh

Me and you together had plans on making the day, having cash  
As time passed tryin' to make it all last  
You know we struggle  
Hope we can see better days  
And the time different dreamers is to go our seperate ways

(Verse 1 - Silkk)

See you was always good  
I was always bad  
You was always in school  
I was always to cuttin' class  
Cheatin' on my tests knowin' I wouldn't pass  
Told me slow down nigga I was movin' too fast  
They always told me ?  
I wish you well one day  
If you could be spent up, shot at, get me out of jail some day  
Yah, I was told to be like you  
And at times I tried  
Realized the only way I can beat these streets  
The only way I knew to survive  
I remember comin' home high and drunk  
Smellin' just like a alcoholic  
Tryin' to sneak you in  
They damn near caught us  
We be down to rock the block party's all night  
Even thought we clown, we be down to fight, all night  
Hangin' with the big homies  
Askin' what they hittin' fo'  
I remember stealin' junk food out the neighborhood liquor sto'  
Sittin' back remeniscin' on all the things we had  
Even thought it was rough, it never seemed so bad  
Our destiny, we can't shape  
I know we made mistakes  
Even thought i wonder why He took you  
I can't question fate  
I guess it was written

(Master P)

But check it out  
You still hear cuz you gon' live through me, C, and Silkk

(Chorus: Silkk)

Me and you I always thought we'd be together  
I shoulda' known nuttin' last forever  
And see I, destiny, we can't shape it  
Even thought I wonder why we die  
I can't question fate  
Me and you I always thought we'd be together  
I shoulda' known nuttin' last forever  
And somehow I always thought you'd be there  
Get a deg on the mark, it's cold, but it's fair

(Verse 2 - Silkk)

See man, right now I just gotta watch my step  
No matter how many homies I lose  
I can't get used to death  
I remember us 5, runnin' wild  
Just tryin' to get paid  
It wouldn't seem like a jail  
Put some rose on Dante's grave  
(No reason you gon' die)  
Gimme for thinkin' that  
You were my brother  
I'd pay millions to know I was safe  
A million to bring ya back  
Y'all my family, as well as my friends  
And if I had to bring ya back that mean I havta lose ya again  
Your memory's gonna live on even though ya' gon'  
I'm sittin hear contemplating where it all went wrong  
We had an argument, I said some things I shouldn'ta said  
Never got a chance to apologize when you didn't come home that day  
I'm thinkin' about memories every time I lay down  
I wish I woulda known  
I woulda apologized  
But i guess I gotta say it now  
So I see you when I get there  
But for now I'ma pour out liquor  
'Til i'm up there wishin'

(Chorus x2.5)

(Silkk)

And if this song don't hit home  
Picture the person you love the most  
And, you wake up, they be gone

(Master P)

Damn, Kevin Miller  
See you when I get there fool  
'Til then you gon' live on thru us  
Huh, we riders baby, you know that  
Down to handle our business  
Silkk can handle his business  
We 'bout it 'bout it, rowdy rowdy  
Love nigga
