(Snoop)

Fancy cars, diamond rings, bad ass bitches

(Silkk)

Now some call us the players, others call us the pimps
so on the level lets talk about hoes

(Snoop)

Now trip this for a second nigga
I'm bout to drop some more pimp shit on yo ass
have you ever slapped a bitch?
Have you ever counted over a thousand dollars in cash?
Nigga if you ain't never did that shit before
get the fuck up out my face, 'fore
I have to pull this tray 8 up out my muthafuckin waist

(Silkk)

An if you don't do it, I'm a do it

I could slap a bitch, like I had a million dollars in cash
so it ain't no thang, bitch backed up
give a nigga some room before I bust
I give a fuck about a hoe, I might get a fuckin nut

(chorus x2)

(Snoop)

It's the S,N double O, P

from the LB to the NO, represent

(Silkk)

Nigga at the right place we caught you at the wrong time
an my team bout to beat you down, ain't no fuckin game

see I went from hundred dollar rock spots
to umm, million dollar raps
I want a 1.5 from the day I turn this debt

(Snoop)

Now Peter Piper picked peppers, while I pimped hoes
an my white drop rolls, an it's sittin on vogues
Jack was nimble, was nimble
nigga he was a bitch, let niggas smack him
punk him, an jackin his shit, when you in it, you gotta get ignit
cuz niggas will play you, lay you, then they spray you
ok you, gotta little money an you figure you hard

now let me be frank with you, in this game
you betta have a lotta homies, some straps an a tank
with you, cuz these niggas they be playin for keeps
while you sleepin, they creepin, that's word to my mama

(chorus)

All my real gangstas, I'm what, nigga what?
All my real soldiers, I'm what, nigga what?

(Verse 3)

(Silkk)

I'm a G-A-N-S-T to the A
I got niggas throwin up they hood from NY to ZA
I probably won't get five mics cuz I hurt this much
but they don't understand, that's why I'm worth this much
see all my real ass soldiers grab yo shit an act bad
an all my real niggas grab the guns, weed, an
my mission to cash, see y'all busters can't hold me down
like the police they had the wrong guy an if I tell you somethin
believe it like you seen it with your own eyes
damn tell you what, meanin what?
See I make gangsta shit they wanna tell us clean it up
now I walked in, straight up outta some thuggish shit
don't tell me nothin to be here try to tear the club up bitch
now don't have me trade the mutha fuckin tape for the crack
don't have me go back to tradin the mic for the gat
(see you love them hoes back in the days)

so either fall back on keys or fourty g's
see I'm bout bigger paydays, I don't set trip, I set clips into AK's
see I done shit bitch, not see me go, I run shit bitch
like a CEO, now Snoop how you spell gangsta? Spell it DPG
an I spell soldier N-O-L-I, M-I to the T
(That's cuz we different riders)
