

# Silver, Forgiven

I still regret I turned my back on you  
No one makes me feel the way you do  
never meant to cause you trouble  
never meant to do you harm  
I was weakened by temptation's wing of charm  
I want to be forgiven  
I want to hold you in my arms again  
to be forgiven  
cause I still need a friend  
I want te be forgiven  
I want to hold you in my arms again  
to be forgiven cause I still need a friend  
I want to be forgiven  
almost drowning in the sea of sin  
can you ease the pain I feel within  
Never meant to cause you trouble  
never meant to do you harm  
I was weakened by temptation's wing of charm  
chorus  
Never meant to cause you trouble  
Never meant to do you harm  
I was weakened by temptation's wing of charm x2  
chorus x2
