

# Silverchair, After All These Years

Breathe in the night  
That crushed a tired sunrise  
Born again the day  
Brings young naivety

A laptop souvenir is worth its weight  
In silver a golden son  
You'll be home again  
And I'll be home again

Mend in my sleep  
I'm boxing under water  
Waddle on the wake  
Waking on a summer day

After all these years  
Forget about all the troubled times  
Munificent, artless and ascetic  
Playing like a scared  
Enthusiastic pawn

And every father's pain  
Casts a shadow over a broken son  
You'll be whole again  
And I'll be whole again

All those years  
I was hurting to feel  
Something more than life
