

# Silverchair, Strange Behaviour

This is tearing me apart  
If the sun won't shine  
Forever will never be fine  
Underneath the hollow ground  
Lies a night time sky  
For only a desperate eye

When I'm paranoid I see walls behind walls behind walls  
When I'm over joyed I see falls over falls over falls  
When I'm all alone I'll be wary and careful to  
Only eat with uncles  
Never talk to strangers  
God is in the kitchen  
Faking baby dangers

Change whatever karma means  
For the only things that end never truly begin  
If this streets air ain't up to par  
I'll take my clothes and take this strange behaviour  
Not only liked but loved as well  
If this streets air ain't up to par  
I'll take my clothes and take this strange behaviour  
Not only liked but loved as well

If this keeps tearing me apart  
The walls come down won't stop this empty feeling  
For everything apart from this
