

# Silversun Pickups, There's No Secrets This Year

Who would know  
All the reasons you're alone  
If the seeds were planted firm my dear  
Would the banshees tear it all apart  
I'll tell you a secret  
Let's make this perfectly clear  
There's no secrets this year  
I'll tell you a secret  
I'll make it perfectly clear  
There's no secrets this year  
So your hearts blown open  
Consider with your ear  
We are still sincere  
I'll tell you a secret  
Let's make this perfectly clear  
There's no secrets this year  
Too late little one  
I'm on the run  
You think I'm having all the fun  
I don't mind  
I'm still here  
Everything seems perfect from down here  
That's the reason you still fear  
If the screams are buried oh my God  
You'll let the record shake it all apart  
I'll tell you a secret  
Let's make this perfectly clear  
There's no secrets this year  
I'll tell you a secret  
I'll make it perfectly clear  
There's no secrets this year  
So your hearts blown open  
Consider with your ear  
We are still sincere  
I'll tell you a secret  
Let's make this perfectly clear  
There's no secrets this year  
Lay your head down at your feet  
I'll blow you kisses while you sleep  
And when I know you're safe and dreaming  
My escape plans in full swing  
[solo]  
Who would know  
All the reasons you're a bore  
If the seeds were planted firm right here  
Let the banshees tear it all apart  
I'll tell you a secret  
Let's make this perfectly clear  
There's no secrets this year  
I'll tell you a secret  
I'll make it perfectly clear  
There's no secrets this year  
So your hearts blown open  
Consider with your ear  
We are still sincere  
I'll tell you a secret  
Let's make this perfectly clear  
There's no secrets this year  
There's no secrets this year  
There's no secrets this year  
Better make sure  
Better make sure you're looking closely  
Before you fall into your Swoon
