

# Simon And Garfunkel, 50 Ways To Leave Your Lover

the problem is all inside your head, she said to me  
the answer is easy if you take it logically.  
i'de like to help you in your struggle to be free  
there must be 50 ways to leave your lover.  
she said it's really not my habit to intrude  
for the more i hope my meaning won't be lost or misconstrued  
so i repeat my self, at the risk of being cruel  
there must be 50 ways to leave your lover  
chorus:  
just slip out the back, Jack  
make a new plan, Stan  
don't need to be coy, Roy  
just listen to me  
hop on the bus, Gus  
don't need to discuss much  
just drop off the key, Lee  
and get yourself free.  
she said it grieves me so to see you in such pain  
i wish there was something i could do to make you smile again  
i said, i appreciate that,  
and would you please explain about the 50 ways.  
she said, why don't we both just sleep on it tonight  
and i believe in the morning you'll begin to see the light  
and then she kissed me and i realized she probably was rihgt  
there must be 50 ways to leave your lover  
50ways to leve your lover...  
chorus...
