Simon And Milo, Get A Clue

I got a little hunch that there is something goin on now
The clothes I bought the friends I got my teacher had a melt-down
Then I look at me and I start to see and a voice inside tells me what I must do
Wake-up Who knew? It's me, It's you......Get a clue
It's there inside of you

--Oh yeah...That's right

Get a clue.....there's nothin you can do
Nothing's ever quite what it seems
Just look a little closer at me
Wake-up Who knew? It's me, It's you......Get a clue

(Milo)--That's the way it goes now

Did you ever see the world around you change before your eye-ees
The people you ignore before they took you by surpri-ies
Then you look at me and I start to see that something happens when I'm next to
you
Wake-up Who knew? It's me, It's you......Get a clue
It's there inside of you

--Oh yeah...That's right

Get a clue.....there's nothin you can do
Nothing's ever quite what it seems
Just look a little closer at me
Wake-up Who knew? It's me, It's you......Get a clue

--Oh yeah...That's right

(Milo)--That's the way it goes now

--Oh yeah...That's right

The first one came on a Tuesday afternoon when I first saw you
The next one came to my surprise when I found out what I had to do
Take a photograph of me hang it in a gallery sit around and watch TV
I turn around and then you look at me, Ya Ya

--Oh yeah...That's Right
