

# Simon & Garfunkel, At The Zoo

Someone told me it's all happening at the zoo.  
I do believe it, I do believe it's true.  
It's a light and tumble journey  
From the East side to the park.  
Just a fine and fancy ramble to the zoo.  
But you can take the cross-town bus  
If it's raining or it's cold.  
And the animals will love it if you do.

Something tells me it's all happening at the zoo.  
I do believe it, I do believe it's true.  
The monkeys stand for honesty.  
Giraffes are insincere.  
The elephants are kindly but they're dumb.  
Orangutangs are skeptical of changes in their cages  
And the zookeeper is they fond of rum.  
Zebras are reactionaries,  
Antelopes are missionaries.  
Pidgeons plot in secrecy  
And hamsters turn on frequently.  
What a gas you got to come and see  
At the zoo.
