

Simple, Asian Girl

Being with you makes me believe the sun will always shine
And i'm glad that i'm with you girl, and that you're always mine
I close my eyes and I know my trust is on your side
Cause being with you makes me believe you're one of a kind

Beauty like yours is hard to find, girl it's so impossible
It's your eyes and your smile that is so incredible
I believe you are so precious to this earth
You are the one so beautiful, my asian girl

You're always in my dreams at night all the time
Yes you are

Being with you I see you and believe
You're mind's open to the world
It's your personality that's real, i'm glad you're my girl
I opened my eyes, i'm happy to see you're here right by my side
Cause being with you I know and believe i'm in paradise

You make the stars smile at the world cause you're always happy
And you are worth more than diamonds and pearls
And you're sweet as candy
I believe you are so precious to this world
You are the one, so beautiful, my asian girl

Beauty like yours is hard to find, girl it's so impossible
It's your eyes and your smile that is so incredible
I believe you are so precious to this earth
You are the one so beautiful, my asian girl
