

# Simple Plan, Don't Hurt Me

Why did you say,that forever's dead and gone?  
And that you,are through with me,too?  
Sometimes I ask myself,do I need some help,  
But then you'd just ask me to leave you

Don't hurt me baby,I just can't bear the pain  
Don't hurt me,like I've Been hurt before  
So I,try to see,the way you feel for me  
please don't hurt me baby
