

Simple Plan, Everytime

It was three AM when you woke me up
And we jumped in the car and drove as far as we could go
Just to get away
We talked about our lives
Until the sun came up
And now I'm thinking about
How I wish I could go back
Just for one more day
One more day with you

Everytime I see your face
Everytime you look my way
It's like it all falls into place
And everything feels right
Ever since you walked away
You left my life in disarray
All I want is one more day
All I need is one more day with you

When the car broke down
We just kept walking along
Till we hit this town
There was nothing there at all
But that was all okay
We spent all our money on stupid things
But if I looked back now, I'd probably give it all away
Just for one more day
One more day with you

Everytime I see your face
Everytime you look my way
It's like it all falls into place
Everything feels right
Ever since you walked away
You left my life in disarray
All I want is one more day
All I need is one more day with you

Now I'm sitting here, like we used to do
I think about my life and how now there's nothing I won't do
Just for one more day
One more day with you

Everytime I see your face
Everytime you look my way
It's like it all falls into place
Everything feels right (Everything feels right)
Everytime I hear your name
Everytime I feel the same
It's like it all falls into place
Everything feels right

You walked away
Just one more day
It's all I need, just one more day with you
