Simple Plan, God Must Hate Me

Last night I just wanted to have fun To go out with my friends I took my dad's car I never thought he would find out But I crashed in a wall Man I'm dead

I guess it's no use I'm screwing up every little thing I ever try to do I was born to lose Yeah yeah yeah

God must hate me He cursed me for eternity God must hate me Maybe you should pray for me I'm breaking down and you can't save me I'm stuck in hell And I wanna go home I wanna go home

Last night I had to study for this test I forgot man I'm dead And now my brain is bursting out of my head I can't think I can't breathe Once again

I guess it's no use I'm screwing up every little thing I ever try to do I was born to lose Yeah yeah yeah

God must hate me He cursed me for eternity God must hate me Maybe you should pray for me I'm breaking down and you can't save me I'm stuck in hell And I wanna go home

So what in the world am I supposed to do? I never did anything to you So can't you find something else to do?

God must hate me He cursed me for eternity God must hate me Maybe you should pray for me I'm breaking down and you can't save me I'm stuck in hell and

I wanna go home God Must hate me I wanna go home You can't save me God must hate me now
