

# Simple Plan, I Don't Wanna Go To Bed (featuring

I gotta tell you the truth  
I'm full of broken pieces and all my nights are sleepless  
And I don't mean to be rude  
This secret can you keep it? Won't give up even if it  
Takes me all night, takes my whole life  
Just won't feel right until I have you  
Tired eye burn, when will I learn?  
Tell me what to do

I don't wanna go to bed  
I don't wanna go to bed  
I don't wanna go to bed  
I don't wanna go to bed without you

Let's get this out of the way  
Why should we wait forever? We're meant to be together  
I'm not ashamed to say  
You don't remember my name, but I still want you the same  
Love at first sight left me tongue tied  
Just won't feel right until I have you  
Tired eye burn, when will I learn?  
Tell me what to do

I don't wanna go to bed  
I don't wanna go to bed  
I don't wanna go to bed  
I don't wanna go to bed without you

[Nelly:]  
I don't wanna go to bed without you  
No you, no life, no sleep without you  
Go crazy with you, go crazy without you  
Her dreams, her nightmares about to ya  
Can't lie, love at first sight  
Love at first night, I took my first bite  
I'm insane when I take aim,  
Like I can't change with middle range  
Love at first sight left me tongue tied  
Just won't feel right (until I have you)  
Tired eyes burn, when will I learn?  
Tell me what to do!

I don't wanna go to bed  
I don't wanna go to bed  
I don't wanna go to bed  
I don't wanna go to bed without you
