

# Simple Plan, Jump

Jump!

I don't wanna wake up today  
Cause everyday's the same  
And I've been waiting so long  
For things to change  
I'm sick of this town  
Sick of my job  
Sick of my friends 'cause everyone's jaded  
Sick of this place, I wanna break free  
I'm so frustrated, I just wanna

Jump! (Jump!)  
Don't wanna think about tomorrow (Jump!)  
I just don't care tonight  
I just wanna jump (Jump!)  
Don't wanna think about my sorrow  
Let's go (Whoa!)  
Forget your problems  
I just wanna jump

I don't wanna wake up one day  
And find out it's too late  
To do all the things I wanna do  
So I'm gonna pack up my bags  
I'm never coming back  
'Cause the years are passing by  
And I'm wasting all my ti-ti-time  
Sick of this house  
Sick of being broke  
Sick of this town, that's bringing me down  
I'm sick of this place, I wanna break free,  
I'm so frustrated, I just wanna

Jump! (Jump!)  
Don't wanna think about tomorrow (Jump!)  
I just don't care tonight,  
I just wanna jump (Jump!)  
Don't wanna think about my sorrow  
Let's go (Whoa!)  
Forget your problems  
I just wanna jump  
I just wanna jump

I can't take it anymore [x4]

Forget tomorrow, I just wanna jump (Jump!)  
Don't wanna think about tomorrow (Jump!)  
I just don't care tonight,  
I just wanna jump (Jump!)  
Don't wanna think about my sorrow  
Let's go (Whoa!)  
Forget your problems  
It's time to let them go (Whoa!)  
Forget tomorrow, I just wanna jump (Jump!)

I just wanna jump (Jump!)

Yeah!

I just wanna jump (Jump!)  
I just wanna JUMP
