

Simple Plan, Me Against The World

Were not gonna be just a part of their game
Were not gonna be just the victims
Theyre taking our dreams and they tear them apart
Til everyones the same

Ive got no place to go
Ive got nowhere to run
Theyd love to watch me fall
They think they know it all

Im a nightmare, a disaster
Thats what they always said
Im a lost cause, not a hero
But Ill make it on my own
Ive gotta prove them wrong
Me against the world

Its me against the world

We wont let them change how we feel in our hearts
Were not gonna let them control us
We wont let them shove all their thoughts in our heads
And well never be like them

Ive got no place to go
Ive got nowhere to run
Theyd love to watch me fall
They think they know it all

Im a nightmare, a disaster
Thats what they always said
Im a lost cause, not a hero
But Ill make it on my own
Ive gotta prove them wrong
It's me against the world

Me against the world

Now Im sick of this waiting
So come on and take your shot
You can spit all your insults
But nothing you says gonna change us
You can sit there and judge me
Say what you want to
Well never let you win

Im a nightmare, a disaster
Thats what they always said
Im a lost cause, not a hero
But Ill make it on my own
Me against the world

Im a nightmare, a disaster
Thats what they always said
Im a lost cause, not a hero
But Ill make it on my own
Ive gotta prove them wrong
Theyll never bring us down
Well never fall in line
Ill make it on my own
Me against the world
