

# Simple Plan, Song about Poland (Stodo

We are in Polska  
And the girls are fuckin' hot!  
We like your polish ketchup  
We have to go to old town  
We're going up tonight  
Until the sun comes up  
And everyone's invited  
Cause we are in Poland!  
(Warszawaaa...)  
Simple Plan loves you (all of you!)  
I really wanna do you (all of you!)  
I love you Poland!  
Oh yeah Polska (Polska...)
