

# Simple Plan, The End

I've been trying to tell you something but you never understand  
I feel like we've been going round in circles  
You look at me like I've become a stranger on the street  
A skeleton that's hiding in your closet

I see you next to me but still you feel so far away  
Where did we go wrong? (Where did we go wrong?)  
I guess this is the part where you look at me and say goodbye...

Don't, don't let me go  
It's not the end (Whoa...)  
Girl, you know, it's not so bad, it's not the end (Whoa...)  
You know it's not the end

I've been around the world and I have seen so many things  
I can't even tell you where I'm going  
But no matter where I'm heading and no matter what I do  
Something keeps me coming back to you

I see you next to me but still you feel so far away  
Where did we go wrong? (Where did we go wrong?)  
I guess this is the part where you look at me and say goodbye...

Don't, don't let me go  
It's not the end (Whoa...)  
Girl you know, it's not so bad, it's not the end (Whoa...)  
You know it's not the end

Don't, don't let me go  
It's not the end (Whoa...)  
Girl, you know, it's not so bad, it's not the end (Whoa...)  
You know it's not the end

What can I do when you're gone?  
When it feels so wrong?  
What can I say?  
To make you wanna stay?  
So what can I do?  
Don't leave me this way  
Cause it feels so wrong  
Let's stop all these games  
Cause I just can't say goodbye

Don't, don't let me go  
It's not the end (Whoa...)  
Girl, you know, it's not so bad, it's not the end (Whoa...)  
You know it's not the end

Don't, don't let me go  
It's not the end (Whoa...)  
Girl, you know, it's not so bad, it's not the end (Whoa...)  
You know it's not the end
