

Simple Plan, Vacation

i know a girl who's obsessed with a guy
she talks for hours and still tomorrow
she'll call again and when he thinks that this could be the end,
she calls again
at six in the morning she waits at the door
he tells her to leave but still tomorrow she'll be there again
she won't let go

can't you just go somewhere on vacation?
i could book your flight
and pack your bags
if you want
a one way ticket out of my life
watching you fly away
i never liked you

she doesn't care if he tries to ignore
he runs away but still she follows
she'll try again
she likes to think she'll get him in the end
yeah

can't you just go somewhere on vacation?
i could book your flight
and pack your bags
if you want
a one way ticket out of my life
watching you fly away
i never liked you
i never wanted you
i never liked you
i never wanted you, whoa

can't you just go somewhere on vacation?
i could book your flight
and pack your bags
if you want
a one way ticket out of my life
watching you fly away
i never liked you
i never wanted you
i never liked you
i'm not in love with you
