

Simply Red, Come On In My Kitchen

You'd better come on in my kitchen,
babe it's gonna be raining outdoors

The woman I love took to my best friend
Some joker got lucky took her back again.

You'd better come on in my kitchen,
babe it's gonna be raining outdoors

She's gone, I know she won't be coming back
I've taken the last nickel out of her station sack

You'd better come on in my kitchen,
babe it's gonna be raining outdoors

When a woman gets in trouble everybody throws her down
Look for her good friend none can be found

You'd better come on in my kitchen,
babe it's gonna be raining outdoors
