

# Simply Red, Fake

Watching love drifting away  
And I feel like I'm someone else  
The hurting is rough  
Long are the days  
And you have hurt me enough

You're scared to be loved  
You know that's your way  
Your youth has made you too tough  
You're hurting for love in so many ways  
The truth has hurt you enough

I read a book  
And it's your face  
Fake: it's your face now  
Still my love for you was no mistake  
Fake: I will always love you  
Fake

Hoping for love  
Day after day  
And it's always someone else  
The hurting is rough  
Long are the days  
And you have hurt me enough

You're burning your hair  
On your cigarette, oh baby  
Turning your nose up  
At the clothes your girlfriend wears  
I don't care

Always, always, always I will love you
