## Simply Red, Good Times Have Done Me Wrong

I drank a lot Spent too much Gave a lot Screwed up a lot Now good times you've done me wrong, so wrong

And now I feel that my lifetime is mine Happy to drink my wine Hangin' here, that girl of mine Still, good times, you've done me wrong, so wrong

[Chorus:] Remember all the good times Remember all the good times

Remember all the good times Remember all the good times Good times, good times Good times, good times Remember all the good times The good times The good times

I did really love too much I never really cared too much Good times you've done me wrong Now good times, so wrong

[Chorus (rpt to fade)]
