Simply Red, It's Only Love

It's only love It's only love

Don't be afraid to touch me babe Girl let's be real There's nothing wrong With the way we're carrying on So enjoy and live Because It's only love doing it's thing baby It's only love that you're feeling It's only love doing it's thing baby It's only love that you're giving

I wanna stay with you night and day Until the end of time It's OK when you lay Lay your body next to mine Because It's only love doing it's thing baby It's only love that you're feeling It's only love doing it's thing baby It's only love that you're giving
