

# Simply Red, Perfect Love

(Mick Hucknall)

Your perfect love  
Your perfect love

Oh boy, what a fight  
We fought and the thing is,  
We were both right,  
Ok I'm crazy but maybe,

Quiero Tenerte  
Quisiera Odiarte  
Quiero besarte  
Quiero Olvidarte

Both of us, what a sight,  
In the morning screaming,  
Believing it could be so right,  
'Cause you know that your mine baby, yes you are

Still you're in my dreams,  
Not constantly,  
Not constantly

Your perfect love  
Your perfect love  
Your perfect love  
Your perfect love

Through the day and the night,  
Dreaming of you baby,  
Here with a love that feels so right,  
I know its hazy but maybe,

Yo Quiero Amarte  
Quiero Olvidarte  
Debi Sacarte  
Pero no puedo

But believe me enough,  
To be eternally,  
Eternally

Your perfect love  
Your perfect love

Yo Quiero amarte  
Yo Quiero Verte  
Debi Sacarte  
Quiero Olvidarte
