

# Simply Red, Shades 22

Shades on a rainy day.  
Bittersweet falling.  
Still, I'll hit the beach today.  
My memory is calling.

Shades on a rainy day.  
I'm playing like the sun is shining.  
Shades on a rainy day,  
my game, my life is hiding.

My life is hiding.  
Hiding.

Shades on a rainy day.  
Bittersweet falling.  
Still, I'll hit the beach today.  
My memory is calling.

Shades on a rainy day.  
I'm playing like the sun is shining.  
Shades on a rainy day,  
my game, my life is hiding.

My life is hiding.  
Hiding.  
My life is hiding.  
Hiding...
