

# Simply Red, Stay

Say did I thank you for your kindness  
It's just the way you are  
The sympathetic things you say and do  
Made me love you from afar  
Now I need to know you and bring myself a little closer, yeah  
The chance to hold you in my arms and put our love in motion  
Makes me say

Stay lady, stay baby stay  
Cos I would rather smile than cry  
Stay lady, stay baby stay  
Just the way you are with me

You ask me 'bout the dress you're wearing  
I just love the way you are  
Now don't you change a single thing for me  
To me girl you're the star  
You supported me, with love, honour and devotion, yeah  
Now you can believe in me and share in love's emotions  
And make me say

Stay lady, stay baby stay  
Cos I would rather smile than cry  
Stay lady, stay baby stay  
Just the way you are with me

Stay with me!

Just the way you are with me  
Stay lady, stay baby stay  
Just the way you are  
With love and affection

Stay lady, stay baby stay  
You supported me  
With love, honour and devotion
