

# Simply Red, Suffer

Something deep inside of me  
That when it comes it won't bring too much prolong  
I don't know how hard it'll be when I suffer  
Affection is a start for me, I hope it's gonna move on  
This time it's gonna be hard for me, I don't wanna suffer

I fight it hard when it tears my heart  
Oh when I want someone I gotta have someone  
And when I come to the conclusion  
So scared I don't want to fall

Please don't make me suffer  
Please don't make me suffer

Did he break his broken heart for you  
Oh no mother, he never loved a single other person  
This time it's gonna be hard for me, I don't want to suffer

I fight it hard when it tears my heart  
Oh when I want someone I gotta have someone  
And when I come to the conclusion  
So scared I don't want to fall

Please don't make me suffer  
Please don't make me suffer  
I'm not hard enough, I'm not strong enough  
Don't make me suffer
