## Simply Red, Thank You

I thank you for the things you have shown me Thank you for the love of my life So far anyway, now it's really really over O God I really thank you baby

Most of all I thank you for your love Like good people should do anyway

I thank you I really thank you All of my life I really thank you

My souvenirs I hold them and remember All the days for the rest of my life Truth is I miss you in all the ways you will imagine See me, feel me I wanna say

Most of all I thank you for your love Like good people should do anyway
