

# Sinead O'Connor, He Prayed

Birds have their quiet nest  
Foxes in their own hole  
Man of a peaceful rest  
He have nowhere to lie his head

He prayed  
Yes, he prayed  
He prayed  
Yes, he prayed

You got to believe me that he prayed  
You got to hear what I say he prayed

For I am you  
For I am you  
For I am you  
You  
For I am you

You got to believe me that he prayed  
You got to hear what I say he prayed

For I am you  
You  
For I am you  
For I am you  
You  
For I am you  
For I am you  
Yes, he prayed  
He prayed  
Yes, he prayed  
He prayed  
Yes, he prayed  
You got to believe me that he prayed
