

Sinead O'Connor, Tears From The Moon

Couldn't sleep so I went out walking
Thinking about you and hearing us talking
And all the things I should have said
Echo now, inside my head

I feel something falling from the sky
I'm so sad I made the angels cry

Tears from the moon
Fall down like rain
I reach for you
I reach in vain

Tears from the moon, tears from the moon

It just ain't fair this thing called loving
When one step there and the other feels nothing
I would have done anything for you
I still love you, baby I adore you

All day I keep from falling apart
But at night when the sky gets dark

Tears from the moon
Fall down like rain
I reach for you
I reach in vain

Stop, Stop haunting me
It should be easy
As easy as when you stopped wanting me

Tears from the moon
Fall down like rain
I reach for you
I reach in vain

Tears from the moon
Fall down like rain
But tears from the moon
Can't wash away the pain

Tears from the moon, tears from the moon
Tears from the moon, tears from the moon
